

# children's heart FEDERATION

Registered Charity No. 1120557

1 in 133 children is born with a heart condition. Are you ready to become the one?

Over the last year we have seen Paul Willgoss, an adult with a heart condition, take on his biggest challenge yet, a 1500 mile walk in aid of the Children's Heart Federation. For the last part of his challenge we need your help - Can you become the one? Just think of how much fun you could have over a mile, you could hold an egg and spoon race, walk, run, dance, skip or even travel by space-hopper - really anything goes! You can use the form below to collect sponsors for your own mile.

## *giftaid it*

Use Gift Aid and you can make your donation worth more. If you provide your full name and home address (including postcode) and declare that you are a tax payer, the CHF will be able to claim, from the government, the tax you have already paid. Therefore, every £10 that you donate will be worth approximately £12.80\*

To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount the charity will claim in the tax year.
